

**Assignment 4**  
**Edited Silent Story from “Sügisball” Film Materials**

- Edit 3-4 minute story using the provided material from feature film “Sügisball” (directed by Veiko Õunpuu, 2007).
- Length has to be between 3-4 minutes
- The story must be silent (no dialogue)
- The story must have a “Title” in beginning
- For background use some music from the provided materials
- Using provided sound effects create a sound design for the story in addition to the music
- You can use title cards to give additional information
- The short film must have a beginning, middle and the end – it has to be a complete story
- When editing the assignment use the different editing techniques and tools:
  - Drag and drop editing (Append, Connect, Insert and Overwrite)
  - Three point editing
  - Tools: Roll/Ripple, Slip/Slide, Razor Blade
  - Use trimming with Precision Editor
  - Use the Keyboard shortcuts
- Some color correction tools must be used (adjusting the brightness, creating a special “look” etc.)
- Add to the beginning of the story a still title and to the end the rolling credits with your name.
- Please add to the ending credits also the reference “Used materials from film “Sügisball””
- Export the finished project as Quicktime Apple ProRes 422 HQ file and XML file
- Name the both files as “Title – Firstname Lastname”
- Copy the Quicktime file and XML file to “Drop Box”
