BFM6054.FK Editing

Assignment 7
Assignment "Mobileviz Minutes" (using FCP X)

Using the Final Cut Pro X and the provided material from „Mobileviz Minutes" edit together a complete 2-3 minute TV feature story with narration, interviews and music.

When creating the sequence use the following:

> ➢ Picture in picture (many pictures playing at the same time)
> ➢ Use filters
> ➢ Speed changes
> ➢ Keyframed motion effects (Ken Burns, Zooming in/out etc.)
> ➢ Use Color Correction
> ➢ Beginning title
> ➢ Credits roll in the end (rolling text)

- ➢ Save your Final Cut Pro X project XML file as "Mobileviz Minutes – Firstname Lastname" and copy it to the Drop Box and;
- ➢ Export the final version as Quicktime Apple ProRes 422 HQ "Mobileviz Minutes – Firstname Lastname" and copy it to the Drop Box.
