Subject: Internship Oppotunities for Your Students

To: katlinke@tlu.ee <katlinke@tlu.ee>

Hello,

My name is Sara, I am an HR Assistant at BD Electronics in Malta.

BD Electronics is an international distributor of electronic components. BD Electronics provides technology products to manufacturers, globally in a variety of industries, including: medical, military, aerospace, computer & peripheral, telecommunications, transportation.

We have a young and multilingual workforce, with over ten languages spoken, such as English, German, French, Spanish, Italian, Russian, Chinese, Dutch, Finnish, Slovak, and Indian. Here, we are constantly recruiting young people who are motivated and who want to improve themselves in contact with an International Team. There is no recruitment date because we are always looking for new collaborators!

So, we are looking for student who wants to do an Internship in our company in this fields: Sales, Purchasing, Accounting, IT and HR.

The internship could of course be done both with Erasmus + program or independently of it.

If you think that some of your students could good fit with the company and could be interested, feel free to send them to me (Directly to this Email address) or just send me their resume. Or if you prefer, I can give you directly our internships opportunities.

For any further questions do not hesitate to contact me.

Kind Regards,

Sara Johnson
