

Tallinn University Centre for International Examinations

CAMBRIDGE ASSESSMENT ENGLISH B2 FIRST

Cambridge examination preparation course

Target Group: level B2

11.02.–09.05.2019; Monday, Thursday 16:30–18:00 (50 academic hours)

Cambridge English: First is an internationally recognized qualification in English for every day, academic and professional situations, providing the necessary skills and confidence to work or study in a wide range of international English speaking environments.

This course suits students who are already intermediate users (B1+/B2) and wish to develop their skills in preparation for the exam. The classroom focuses on collaborative learning and interactive speaking and listening assignments. Homework will be given each week to practice reading, use of English (grammar) and writing skills. It is highly recommended that students devote some time to these exercises to maximize chances of exam success.

Teacher: Ege Viil

Course book: Cambridge English Compact First SB. Cambridge English Compact: First Work Book

Course fee 300€ (Student Book and Workbook included).

Location: Tallinn University, Centre for International Examinations (CIE), Silva 327.

Note

This is a concise course which thoroughly prepares participants for the examination. It is not mandatory that you take the examination at the end of the course, however it is an excellent way to improve your level of English for your own personal/academic reasons.
