

“Hack Social issues 2022” : a Social Hackathon to design solutions through innovative social enterprises for refugees who have fled Ukraine and living in Estonia.

Why ?

War is devastating and the enormity of the impact almost too great to comprehend . The loss of life, livelihoods, homes and the long-term psychological harm will affect generations. War not only disrupts the development of the social and economic fabric of the nation it also destroys communities and families and has displaced millions of people, and many unaccompanied minors.

Who ?

1. Organised by Social Entrepreneurship MA students at Tallinn University.
2. Everyone is welcome to participate as an individual (to join a team) or come as a formed team.

When ?

Join “Hack social issues 2022” pre-event on 13th of May 2022 and main event on 8th of June 2022.

Where?

Tallinn, Estonia

How?

You don't need to have decided on your idea to join...

Sign up for our pre-event : <https://forms.gle/NJ7jdm3X4x9pfgjr8>

Small Print
