

BFM8017.FK	Individual Subject IV	2	A									
<b>SUBJECTS</b>		<b>60</b>										
<b>DOCTORAL THESIS</b>		<b>180</b>										
<b>ALL</b>		<b>240</b>										

\* Individual Subjects can be used as substitutes. Subjects of other university curricula that are not in the study program are suitable as individual subjects, provided that they support the doctoral student's research work. Individual subjects can also be matching subjects for summer schools, seminars, trainings, participation in conferences, which can be transferred with a combined RPL application.
