Women on the Move

Edited by **Silvia Pellicer-Ortín** and **Julia Tofantšuk**

Series: Routledge Studies in Contemporary Literature

Women on the Move: Body, Memory and Femininity in Present-day Transnational Diasporic Writing explores the role of women in the current globalized era as active migrants. Silvia Pellicer-Ortín and Julia Tofantshuk have brought together a collection of essays from scholars in diaspora, migration and gender studies to take a look at the female experience of migration and globalization by covering topics such as vulnerability, empowerment, trauma, identity, memory, violence and gender construction, which will continue to shape contemporary literature and the culture at large.
