Language tests and scores accepted for proof of English proficiency from the admission period of 2023/2024

Only applicants who have completed their previous levels of education or their previous studies fully in English in the **United States, Canada, the Commonwealth of Australia, New Zealand, United Kingdom, Switzerland or the EU/EEA countries (attested proof from the previous educational institution required)**, will be exempted from submitting an international language test as a proof of their English proficiency.

Prospective students will need to satisfy the English Language requirements without a date of expiry for the certificate they provide. The candidates will be assessed in an interview by an academic staff member of the Cyprus University of Technology Language Center that will evaluate their ability to study at a master's level in English.

The certificates acknowledged for demonstration of English Language will be expanded to:

- IELTS (International English Language Testing System) academic: **5.5** or above. A copy of the IELTS Test Report Form is accepted as it will be verified online by Tallinn University.

- TOEFL (Test of English as a Foreign language) internet based (TOEFL iBT® Test): **72** or above. The test result has to be sent directly to Tallinn University, by the test center. It is also possible to order the test results to be sent to Tallinn University online (Tallinn University Code number is: 0449).

- B2 First (First Certificate in English): **169** (with a minimum of 169 in each component)

- C1 Advanced (Certificate in Advanced English): **169** (with a minimum of 169 in each component)

- C2 Proficiency (Certificate of Proficiency in English): **169** (with a minimum of 169 in each component)

- *Cambridge IGCSE or GCSE English as a Second language: **grade C** or above

- *Cambridge IGCSE or GCSE English as a First language: **grade D** or above

Candidates presenting Cambridge English tests should make their results available in the online system for Tallinn University to be verified.

- Anglia Examinations: **Advanced level**

- Michigan Language Assessment (Proficiency of Michigan): **ECCE** (**53** or above)

- Password Test: **5.5** or above

- PTE academic (Pearson test of English): **59** (with a minimum of 59 in each component). Test result has to be sent to Tallinn university through the secure PTE portal.

- PTE general (Pearson test of English): **Level 3**. Test result has to be sent to Tallinn university through the secure PTE portal.

- International Baccalaureate with **ENGLISH B Level HL and A at least grade 5, ENGLISH SL Level with at least grade 4**.

NB! Students coming from **Finland** do not have to prove their language proficiency for B2 level if they have at least "cum laude approbatur" (pitkä oppimäärä) as the result of the English language exam in their matriculation certificate.

Students coming from **Latvia** do not have to prove their language proficiency for B2 level if the result of their Latvian Secondary Education State Exam in English is at least grade "A" or "B" or corresponds to B2 English proficiency level.*

Students coming from **Lithuania** do not have to prove their language proficiency for B2 level if the result of their Lithuanian Secondary Education State Exam in English is at least 70 points.*

The exam must be taken less than 10 years ago.
